The East Student Council, supervised by Mr. Dieterle and Miss Schreiber, serves as a means of communication between students and administration. A representative and alternate were elected from each homeroom; they take suggestions and complaints to the council, who decides how to act upon them. This year the student council is drawing up a constitution to serve as a guideline for students. They also collected toys for tots at Christmastime. They are working on a blood program and on arranging ice skating at a nearby rink.

The Vikings for Christ is a club organized to study the Bible and discuss its meaning. It is sponsored by Miss Betty Jo Dawson and Miss Linda Gowman. About twenty students participate each week.

Marching Band

The Viking Marching band had arrived. The members spent a week at pre-school Band Camp in August. The group performed the pre-game and half-time shows at all football games, as well as provided support by cheering and playing during the games. The year's schedule also included pep rallies and community parades and ceremonies. The band participated in its first Cavalcade at Owen J. Roberts this fall.

Under the expert, patient direction of Mrs. Rockofellow, the Viking Band Front has matured into a well-disciplined, experienced group of precision marchers. Consisting of the Silk Corps, Majorettes, Color Guard, and Banner, the girls in the group work hard on perfecting their routines and adding color and polish to the band itself. Mrs. Rockofellow, a fine twirler in her own right, works closely with each one of the girls. Though their numbers are small, their morale and spirit is high, and they are a credit to East's spirit.

SPORTS

East's Viking

The Viking mascot made his appearance for the first time this year. Our mascot was Mark Cavanaugh and his major role was to aid the cheerleaders in arousing spirit at sporting events. Dressed in Viking apparel, he led a variety of cheers and began several traditions, such as doing pushups for as many points as East scores, which will be continued by whoever follows in the fur-clad footsteps of our first Viking mascot.

The East cheerleaders help arouse spirit and lead cheers among Viking fans. The varsity squad, captained by Lauren Shields, and the junior varsity, led by Cindy Vely, cheer at pep rallies and at most sporting events. The faculty sponsor is Mrs. Monacelli.

Soccer

In their first year of S.C.C.L. competition, the Viking soccer team showed great promise for the future. The Vikings ended up second in their division with a very respectable 8-6 record. Led by coaches Hyman, Payton and Hoffman, and co-captained by Sam Bateman and Bob Mandes the team placed two players on the S.C.C.L. second team; these players were Brazilian exchange student Celso Cruz and Pete Norris. The team shows great potential with five varsity starters returning next year.

In its first year of competition, our football team didn't fare as well as far as wins and losses were concerned. However, everyone involved with our football program gained some very valuable playing experience, which we hope will begin to pay off in the coming season. Yes, you could say that we paid our dues in our first year in the Ches-mont league, but hopefully we will begin to collect some wins from our opponents in this coming season. With 47 players returning from this year's team, the future looks very promising.

Hockey

In the first year of Chesmont competition, the East Varsity Hockey Team overcame early season inexperience to earn a commendable record. Led by co-captains Vicky Ebner and Lynn Novosel, East displayed overwhelming spirit, determination and teamwork. Seniors Amy Cobb, Lori Esbiornson, Kathy Guckes, Ebee Horton and Linda Minshall provided the consistency to lead East toward a worthy record of 4 wins, 4 losses and 2 ties. The JV's earned a record of 5 wins, 3 losses and 2 ties behind enthusiasm and ability that will provide exciting potential for East next season.

This year the cross country team began with one returning letterman and was predominantly composed of sophomores and freshmen. The return of Kevin Barnes and Joe Brandon and six other lettermen will help us improve next year's record. A new feature in this year's competition was the addition of girl runners to the team.

Golf Team

The golf team has worked very hard in their first year at East, although their record was one win and nine losses, the only victory being against Great Valley. Coach Crowley feels the team has gained valuable experience in competitive golf. He is looking forward to next season. Seven out of the eight team members will be returning next year, and he expects to get some young talent from the junior highs which will help build a stronger team in 1975-1976.

Broadcasting Club

Members of the Broadcasting Club pursue their interests in the radio field by participating in such events as the Morning Report, the morning announcements combined with music and a touch of humor; and East Senior High on the Air, a talented group of members who travel to WCOJ Wednesday evenings to do their own radio program.

Debate And Forensic Society

Members of the Debate and Forensic Society are involved in all forms of debate and public speaking. This year's debate topic concerns the selection of presidential and vice-presidential candidates. The team had a good record last year, and can expect to finish well this year, especially with the help of new members. The Forensic Society engages in speaking contests which cover forms of speech ranging from extemporaneous to persuasive. Mr. Maher is the Advisor for both groups.

National Honor Society

The members of the National Honor Society are selected by the faculty on the basis of scholarship, leadership, character, and service. This year's officers were; Bucky Smith, president; Cheryl Bearden, vice-president; Sue Eckstein, secretary; Denise Stapleton, treasurer; and Pam Bagnall, historian. Library Aides

Our library aides are very valuable to the librarian. They work at the main desk and answer students' questions. They also shelve and process books, and they deliver overdue notices. Our library couldn't be run well without them.

Nurses' Aides

The nurses' aides help the school nurses perform their daily duties. They unselfishly give up their own study periods to help others who are ill. The nurses are grateful for their assistance.

Guidance Aides

Our guidance aides "pitch right in" and help the counselors and secretaries with their work. They are an important asset to the guidance reading room. Keeping college catalogues and other materials in order is only one of their jobs. They also help students in the guidance reading room.

Office Aides

The office aides help our administration and secretaries in many ways. They perform attendance duties and jobs that would take much of the secretaries' time. They also help puzzled students by answering questions at the desk.

East Travesty Club

The ETC was founded by a band of hostile pilgrims in 1928. Now only seven members remain in inactivity. This philosophical group of slow thinkers is dedicated in its quest to find the answer to the age-old question "Why am I?", but they are continually hampered by the undershadowing fear that they aren't.

Steve Cuddeback attended the District meet and placed 4th on the side horse, 5th on parallel bars, and 7th in floor exercises. Steve also attended the Eastern Regionals where he placed 3rd on parallel bars, and attended State competition.

The Girls' Gymnastic team had a 5-5 season. As the season progressed the team displayed much improvement. Each girl played an important role for the team. Holly Wright and Patti Kolloff were the team's co-captains. Ellen Highberger attended the District meet placing 5th all around. The team was fairly young this year and Miss Stevenson, the coach, is looking forward to all the girls returning, along with new girls joining next year.

Indoor Track

East's first indoor track team was full of enthusiasm. Coached by Mr. Dyke and captained by Bruce Call, the team concentrated mainly on preparation for the outdoor season. This year's standout was junior Dave Womer, a fine pole vaulter.

This season has been one of the best seasons for the West Chester Ice Hockey Team. With a record of 11-4-3, the Warriors have taken second place in division III of the Inter-County Scholastic Hockey League. The scoring of Joe Jungkurth, Mike Buglio, Dan Purcell, Bill Augustyn, and Dave Aurillo has lead the way. The defensive skills of Randy Johnson, Andy Housten, and John Hoertz combined with the goaltending of Larry Hagerty gave the Warriors the lowest goals scored against in the division.

For the seventh straight year, the West Chester ski team went undefeated this season. With a perfect record of five wins and no losses, West Chester defeated fifteen different schools from Pennsylvania and Delaware. With Mr. Hyman and Mr. MacIver as coaches, the team was given very good leadership and training. The team consisted of over thirty members with 13 boys and 7 girls competing in each race. Todd Gruber led the boys with 4 first places and by taking first in the Paul Wick Trophy Race. Mike Wineman took all second places and first in the Chadds Peak Trophy Race. Bob Brennan also placed among the top skiers, showing fast runs and times.

Ski Club

The Ski Club is a group of East students who enjoy spending their spare time on the slopes, coming "gracefully" down the snow-covered hills. The ski team has planned several trips this winter. The group is sponsored by Mr. Hyman.

The East Girls Basketball team "struggled, persisted, and 'grew' through their initial season." Their spirit, desire, and will to win never died, which shows much for the team. They also played well, and always played a hard game. Even if they weren't winning, they did not give up. The Vikings came close to winning many games, including the Henderson and Bishop Shanahan games. Miss Guba, the coach, feels that "the 1975-1976 season can't begin soon enough."

Although the wrestling team's final record was 1-11-1, this is not a clear indication of the hard work the boys put into this sport. Bright spots in the season were the team's 43-18 victory over Chester, which was the first-ever win, and the 28-28 tie with a strong Pottstown team. This season gave the team a lot of experience and the members are looking forward to next year.

The Latin Club is made up of those students who take Latin, and is affiliated with the Junior Classical Latin League. In the meetings, the students learn about life in the times of Julius Caesar. The meetings are both social and cultural. Mrs. Young is the faculty advisor.

Latin Club

French Club

French Club is composed of students who are interested in the French language and in France. This year the members went Christmas caroling (en Français, of course!) and planned a trip to Frenchville, Pa. The Club's sponsor is Mrs. Wagner.

Exchange Students

The American Field Service each year chooses candidates for various overseas exchange programs, ranging from one summer to thirteen months with a host family in a foreign nation. The students who apply for the chance of participating in this unique and rewarding experience must survive a series of interviews and eliminations on the school, district, and national level in order to be accepted. Two students from East will be selected this year to go on to the district level by the committee of the West Chester chapter, whose members include civic leaders, housewives, former exchange students, and our own Mr. Fielding. Our exchange students from AFS this year are Celso Cruz, from Brazil, and Guy Sohier, from France.

We also have four non-AFS international students here. They are Morlai Kamara, from Sierra Leone; James Lampkins, from Liberia; Jack Chang, from China; and Jorge Roldan, from Colombia.

"South Pacific" : A Portfolio

On March 6, 7, and 8, the auditorium was filled by an SRO crowd as East presented its first Broadway musical, "South Pacific." Mr. Ray Hunsicker directed the musical efforts, while Mr. John Maher and Mrs. Marsha Middleton handled the dramatic and stagecraft end of the production. The leading characters, Nellie Forbush and Emile DeBeque, were played by two sets of East seniors: Sue Perrone and Dave Pendlebury, and Pam Bagnall and Jeff Knapp. These actors were supported superbly, both on-stage and off-, by a group of enthusiastic and able performers, musicians, and technicians. "South Pacific" marked the start of what will become a cherished musical tradition for the school.

Outdoor Club

The Outdoor Club, sponsored by Mr. Chappell, is composed of students whose interests lie in areas such as camping, hiking, spelunking, and most anything dealing with the outdoors.

The Happy Hookers

The main concerns of the Fishing Club are taking fishing trips and improving fishing techniques. It is essential that members have access to fishing equipment and camping gear. The club's activities include field trips, films, environmental activity, and discussion of the latest fishing news. The fishing Club has spawned a competitive offspring, the Fish-boxing Team.

Kneeling: Harry Malcolm, Don Blair; Standing: Ken Marino, Bud Christman

APBA Baseball Club

The members of this club use their knowledge of the game of baseball to develop strategies. Computers have translated the statistics of major league plays to cards and any play possible can be simulated in the game. If enough games are played to minimize the chance factor, each player's performance should be close to his performance on the field the previous year.

This year's track season is met with high hopes for a successful record. Led by Co-captains Bill Hollett and Bruce Call, East yields one of the largest teams in West Chester history. Since this is the team's first season, every finish will be a school record. The team will participate in the Spike Shoe Meet, the Chester County Relays, and the Penn Relays, as well as in regular ChesMont action.

Track is back in West Chester for girls as well. Coach Lichty is encouraged by an initial large turnout that East will fare well in ChesMont competition.

Yearbooks are not the easiest things in the world to put together; they need a lot of help and cooperation. I would like to take this chance to thank several people who helped a lot: Mrs. Heidi Hunter, who provided us with pictures; and Mr. Charles Bishop of Bishop Studio, who took time out of his busy schedule to come and take pictures. Thanks also go to Mr. Howard Arnold, the Walsworth Yearbook Company representative, who came to help us-even on Saturday; and the most thanks go to Mrs. Kim Chappell; she took the time and had the patience to run this staff and put up with us. Special thanks go also to Denise, Beth, Betsy, and Jane. Mrs. Chappell, the other editors, and myself worked hard and gave a lot of time to try to recapture the school year of 1974-1975 here at East. Sometimes it wasn't easy with problems like misplaced copy and missing pictures. But it was a lot of fun also, as well as a learning experience. We all will recall it as a season to be remembered.

To everything there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sow; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

Ecclesiastes 3:1-8
